

OUR COMMITMENT TO OUR CLIENTS

Our goal is to assign each client's claim and provide a completed appraisal package within 48 hours. If the 48-hour turnaround time is not met, a written explanation (status report) will be provided. Additional status reports will be provided every 48 hours until the appraisal package is completed.

INITIAL CONTACT (24 HOURS)

Contact with the owner will be within 24 hours of assignment. (If ECS cannot contact the owner, the client will be notified and assistance will be requested in making the necessary contact).

VEHICLE INSPECTION (48 HOURS)

The inspection report includes date, location, VIN, license number, odometer reading, and a minimum 8 photos, including 4 corners. The condition section of the report will include unrelated damage. Listed repairs and parts will be made in strict accordance with manufacturer's specifications, recommendations, and insurance company guidelines.
